This matter comes before the Public Service Commission of South Carolina ("the Commission") on the request of Insurance Information Exchange, L.L.C. ("Insurance Information Exchange") to Withdraw its Application for Certification and the proposed tariff filed therewith. Insurance Information Exchange had filed an Application requesting a Certificate of Public Convenience and Necessity to provide intrastate resold interexchange telecommunications services within the State of South Carolina. Insurance Information Exchange states in its request that a change in the business direction of the company has resulted in the Company no longer desiring to become certified as a reseller in South Carolina.

Upon consideration of this matter, the Commission is of the opinion, and so finds, that the relief requested should be granted.

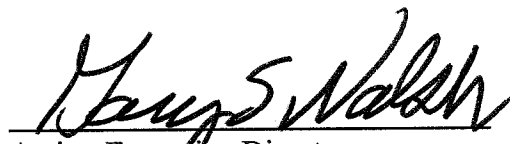

IT IS THEREFORE ORDERED THAT:

1. Insurance Information Exchange's request to withdraw its Application and proposed tariff is granted.
2. The instant docket shall be closed.
3. This Order shall remain in full force and effect until further Order of the Commission.
